## Company Profile

Vanguard Kemagro is a leading Manufacturer, Exporter & Importer of Agro Solution products throughout the Globe that includes Agrochemicals, Biological Agro Solutions and emerging Agrotech capabilities. Our core leadership, with over many decades of cumulative experience, is complemented by a team of dedicated internal and external partners in Manufacture, Sales, Distribution and Global Logistics Supply Chain. This has resulted in a rewarding patronage of International and Domestic Buyers whose confidence in us has helped us plan and execute their repeating fulfilment requirements over the past years. We are an ISO Certified Company and a government certified “Star Export House” having affiliations with leading Chamber and Trade Associations. All of the above leads to what we would term as “**The Kemagro Support**”. The Kemagro Support starts with a special attention to Registration and Data Support for International Customers and proceeds towards supply of a range of Technical and Formulations where Quality is a self-imposed pre condition while keeping costs reasonable. Our solutions include a wide variety of packaging solutions and during any order fulfilment process we stay with our customers throughout the entire journey of the supply chain. Vanguard Kemagro is proud to be a part of the silent effort towards making this World Hunger Free by helping optimize Agro outputs.
